

OUTPOST CO2™

Cupped Inflator with Cartridge

Part# 7059647

16g Threaded and Non-threaded
(attach with barrel)

WARNING: Any CO2 cartridge must be completely empty before removal from inflator. An activated cartridge removed from an inflator is dangerous. Do not over inflate tire as injury can result. Presta valve must be open prior to using the inflator. Always hold cartridges by insulated protection, never put fingers on metallic areas. Keep out of reach of children. Do not discharge towards body.
