

# ROAD MIRROR™

Fits On Road Bike Brake Hoods

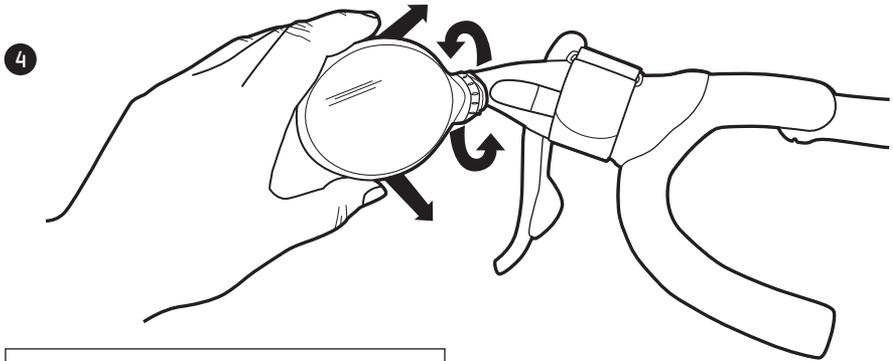

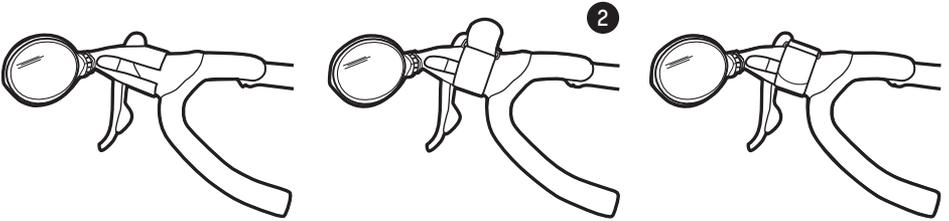

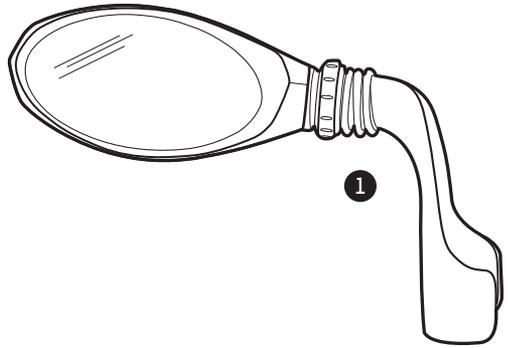

Part# 2041496

**STEP ONE:** Remove strap and spread curved ends of arm over hood.

**STEP TWO:** With buckle on the inside, wrap strap tightly around hood, through the buckle and then back around itself.

**STEP THREE:** Adjust mirror viewing angle while seated on bike.

**STEP FOUR:** To adjust, loosen mirror tension by holding mirror in one hand while rotating lock ring clockwise with the other hand. Hold mirror in place while retightening lock ring.

**WARNING:** Objects in the mirror are closer than they appear. Road vibrations or rough terrain may loosen ball joint or strap. Check tension frequently.
